

Rob,

You did a fantastic job at our wedding. You played all the songs we requested and you also did a great job "free-styling". Everyone was dancing and you got everyone in the groove. You helped so much with creating the mood that Molly and I were looking for at our wedding. Also, I would recommend you to all of my friends for any of their DJ-ing needs. I will hopefully never need your service again for a **wedding**, but if we have another engagement or gala and need your services, I will surely give you a call. Thanks so much for doing a wonderful job on such an important day for Molly and I. Take care and we hope to see you soon.

Thanks again for the great job,

Jason & Molly McDonald

Rob,

I just wanted to thank you for your wonderful and enthusiastic entertainment at my wedding. You were absolutely amazing. I had many people approach me and let me know how professional yet energetic and fun you were that night. I was so glad you were able to laugh about the "monsoon" we had and I was also told that you called Boone Hall (to no avail) and asked for sand bags. I appreciate you looking out for me! You were amazingly flexible considering the circumstances and definitely patient as we had to basically re-plan the wedding in those short moments. I can't express my gratefulness for all you did that evening. You went above and beyond anything I ever expected! Thank you for making my day a little less crazy.

Thanks,

Kari Coble (formerly Ostendorf)

Rob,

You were great this weekend! Everyone had a blast. Thank you for the wonderful music, and also thank you for helping me by making all of the announcements.

I will definitely be recommending you for future events.

You were a pleasure to work with!
